Profile

The following is a resume', more or less a summary, of my current positions and occupations. Please feel free to contact me if you have any questions.

Experience

Teacher, Saline Area Schools Saline, MI, 2001-Current

- Currently teaching photography and video production classes.

- Established the current Video Production program at SHS. Teaching 125+ unique students annually. Covering subjects from broadcast journalism to motion graphics in 3 different class levels.

- Established a student internship program with the Saline Community Television Network.

- Created the current Digital Photography 1 curriculum. 300+ unique students take the class annually. Multiple teachers now teach the curriculum.

- Member of the school technology committee.

- Shoot, edit, produce and coordinate MULTIPLE school events annually. (Plays, musicals, parades, sporting events, graduation etc.)

- Member of the Michigan Interscholastic Press Association (MIPA). Received the Spartan - Silver award for SHS Today in 2013. SHS Today is our weekly school news show.

Assistant / Coordinator, Saline Community Television Network Saline, MI, 2005-Current

- School liaison and assistant between Saline Community Television Network (SCTN), a local PEG (public, education, govt.) television station, and the Saline Area Schools video production program.

Duties include:

- Shooting of community events.

- Producing large, multi-cam events.

- Editing of public events for the TV station.

- Budgeting and purchasing for the station.

- Helping establish a web presence for the community station.

Freelance Photographer, Ride-Life Photography Ypsilanti, MI, 2003-Current

A personal project dedicated to my love of photography. Helps keep my skills current and sharp for teaching. Projects include the photographing of babies, families, events, and couples. Portrait photography and some commercial clients.
