Open / Impress-Me Project

This is a special project that is open-ended. You have learned and refined many new skills throughout the class. Now is your chance to put them to the test or try something different. The overall goal of this- IMPRESS ME!

(some) **Options:**

Time Lapse \ Stop Motion video

Mini documentary - interviews and b-roll around a topic

How-To Video - video production related

SHS Video Production Program **Promo** Video - for next year's promotional use

Others with approval

Details:

Length - 1-2 minutes

Purpose - To show off your skills in the world of video production.

Content - OPEN, but fun to watch. Quality work must be produced to get a good grade.

Audience - Dependent on project

Evaluation: You create the rubric that I will grade you on. Look at past project rubrics for examples of grading items I value. Must include a minimum of 5 items to be graded on. More if necessary. Adjust accordingly.

5 points each	
Score Yourself: _____/25	My score: _____/25
