PEOPLE:

This is a photo featuring people. Friends, family, brothers, sisters . . .
Show the personality of the subject in this photo
Fill the frame

Animal:

Capture the activity or nature of the animal

Light Painting:

Utilizing what you learned from the Light Painting demo (coming soon) capture an interesting subject that uses “light painting” techniques and tricks

Macro

Photography CLOSE UP. Use the “Macro” settings on the camera and reveal details not often seen

Nature / Landscapes:

A picture that says something about nature and the landscapes we live in

Architecture:

Architectural features of buildings and structures are highlighted in this photo assignment

Event:

This is a group of photojournalistic pictures that shows a one time event and tell a story about it

Still Life / Product:

A photo of a subject(s) that you have arranged, much like an advertising type picture
Often shot in a studio setting using studio lighting techniques (demo shortly)

Shadows and Light:

Photographs that play on the contrast between shadows and light

Motion:

Capture an image that demonstrates the MOTION of the situation

Black and White:

Some images lend themselves well to being portrayed in Black and White
Showcase your strongest B&W work here. How creative can you be?

Food:

Images of food that make your mouth water

Open:

You decide.

Come up with a creative photo assignment.

Prior to shooting, **must** submit a written or verbal statement describing the assignment for approval.

Some examples of photo themes: Love, Cars, Sports, Stylized, the 5 Senses, etc.

Photos will be used at the end of the class to create a PHOTO portfolio. This is part of the Final Exam for the class.

For each assignment, you should strive to shoot at least **50** photos. Only the best however, will be displayed in galleries and added to your portfolio.
