Tripod Setup Assignment

Directions:

Watch the tripod setup video on the mrbushmedia.com > SHS Video Production 1 website.

Find a partner.

Sign out a camera and tripod.

Set up the camera and tripod to display the following to Mr. Bush. **Only call Mr. Bush over to check these off when you are CERTAIN you can complete or explain each of these items.** (If you cannot, please re-watch the reference movie, or ask a classmate):

_____ Locating the tripod plate on the camera

_____ Leveling the tripod

_____ Locking/unlocking the tripod

_____ Panning left and right

_____ Tilting up and down

_____ Proper tear down and storage

After all checkpoints have been signed off by Mr. Bush, **please turn this into the hand-in box.**

Grading

A (10pts)	B (8pts)	C (7pts)	D (6pts)
You really new your stuff. Minimal assistance needed for checks. No confusion about the tripod setup/operation.	You were ready, but needed some assistance to achieve checks. Some confusion about the tripod setup/operation.	Not ready for tripod checks. Lots of assistance needed to correctly set up or explain the tripod setup/operation.	Not able to set up or explain the tripod operation. Please re-watch the demo video and re-attempt the setup.
